

WePlanet (formerly RePlanet) is committed to maintaining the highest standards of transparency and accountability in all aspects of our work. We believe that transparency is a fundamental part of building trust and demonstrating our commitment to our mission, values, and stakeholders.

WePlanet VWZ was officially incorporated in Belgium as a non-profit organization on 9 February 2022, with the registration number [BE0781755464](#). Our legal form under Belgian law is "non-profit organization" in the environmental sector.

Our ID in the EU Transparency Register is 179551845769-58. Our record can be found [here](#). We completed our 2023 operations and our second financial submission to the register is due on 10 March 2024. An update is to be made in Q3 2024 due to the official name change in June 2024.

WePlanet is both a non-profit organization that covers its own expenses and a subcontractor of charitable funds to member organizations of the WePlanet Alliance, a network of national grassroots groups. For a full list and map of our member organizations, see the bottom of our website at <https://www.WePlanet.org>.

Our Commitment to Transparency

1. Financial and Legal Accountability

- We ensure that all financial transactions and operations are conducted with integrity and transparency.
- Our financial statements, including income and expenditure reports, are audited annually by an independent audit
- We comply with all Belgian law, particularly following the Companies and Associations Code, which governs non-profit organizations.
- We provide clear and accessible financial reports to the public, detailing how funds are utilized to support our projects and initiatives.

As a movement of grassroots activists, the integrity and independence of WePlanet is paramount. We are funded exclusively by charitable donations. We do not accept funding from industry, and all sources of funding above €10,000 are listed by name on our website.

As an organization that boldly takes a stand on controversial issues such as nuclear energy, biotechnology and alternative proteins, we are careful not to accept any funding that could undermine this integrity.

2. Program Transparency

- We provide detailed information about our programs and activities, including goals, methodologies, and outcomes.
- Regular updates on our projects and initiatives are shared through our website, newsletters, and social media channels.
- We actively engage with our beneficiaries and communities to gather feedback and ensure that our programs meet their needs.

3. Governance and Leadership

- Our governance structure, including information about our board members and leadership team, is openly shared with the public.
- We adhere to a strict code of ethics and conduct, ensuring that all actions and decisions are made in the best interest of our mission and stakeholders.
- Policies and procedures are in place to prevent conflicts of interest and to uphold our commitment to ethical governance.

4. Data Privacy and Protection

- We respect the privacy and confidentiality of our donors, beneficiaries, and partners. All personal data is handled with the utmost care and in compliance with applicable data protection laws according to GDPR.
- Clear policies are in place regarding data collection, storage, and use, which are communicated to all stakeholders.

5. Stakeholder Engagement

- We value open communication and regularly seek feedback from our stakeholders to improve our work and accountability.
- We encourage our supporters, beneficiaries, and partners to share their thoughts and concerns with us, and we respond promptly to inquiries.
